## FINDLAY, OHIO, Friday, Morning, Feb. 23 : : 1872-

THE KEMP-SAYLOR CONTEST. We publish elsewhere an account of the proceedings in the Senate of Ohio, than the week previous. on the consideration of this contest, on last Friday. The proceedings of certain Democrats on that occasion was simply disgraceful, and, to say nothing of the merits of the question at issue, they gave the Republican an immense advantage of them by their riotous proceeedings. We are not sufficiently posted on parliamen-

was entitled to a seat in the Senate and Iowa combined. was lost, there being no quorum pres The Committee on Ways and and it was carried. The question then recurred upon the amendment declaring the resolution passed without a quorum. Pending the vote on this a motion was made to adjourn, which was carried, Mr. Gage voting with the Democrats to adjourn.

## SENATOR GAGE. The Courier apologizes for publish-

Gage, from the Toledo Commercioa and then charges that we have gone back on that gentleman, because we did not publish it. Consistent, very. Perhaps, now that Mr. Gage has voted to confirm Mr. Saylor in his seat the Courier will make another ump at conclusions. We are willing to wait for the facts. We do not be lieve that Mr. Gage proposes to cut loose from his past political associa a week's length at the home of excontemptible treatment from men in his own party who are not fit to black his boots. We did not see the manu. Auburn, where he is employed in the son to believe that it was mutilated, Wagoner was guilty of a very scurvy ty of Oxford, has been accepted.

Interface, became of any of the specific properties of the specific propert

toriety in that direction. The whole number of lives lost by such acci dents during the year was 1.455. If in the face of a monoplist minority.

Chance, go over to another Congress, by peculiarly unscrupulous politicians, by peculiarly unscrupulous politicians, who seems to treat principles as current coin, only useful in barter. The fact that any respectable defection ish Island each year is about fifteen handred. But an snalysis of the nummenced. I felt assured, when the action was commenced, that I would be recognized through malice; but that before a worthy set of granding into the Gulf of Mexico; that is occurred on waters where none of the ordinary marine dangers overtake a vessel; where, with the exception of the occasional "snag," the only causes of secident and death are those which generally a ise from careless—ness or original recklessness—fire, exception and so or original recklessness—fire, exception and so or original recklessness—fire, exception and collision. It is a well.

I felt assured, when the action was commenced, that I would be action was commenced, that I would be recognized through malice; but that before a worthy set of granding into the Gulf of Mexico; that is occurred on waters where none of the occasional "snag," the only causes of secident and death are those which generally a ise from careless—ness or original recklessness—fire, exception and collision. It is a well.

I felt assured, when the dation was commenced, that I would be recognized through malice; but that before a worthy set of granding or indicates that he has really felt that before a worthy set of granding or indicates that he has really felt that before a worthy set of granding or indicates that he has really felt that before a worthy set of granding or indicates that he has really felt that before a worthy set of granding or indicates that he has really felt that before a worthy set of granding or indicates that he has really felt that before a worthy set of granding or indicates that he has really felt that before a worthy set of granding or indicates that he has resignation became public, indicates that he has re explosion and collision. It is a well- I feel that I am as good as the man tration candidate in one of the strongexplosion and collision. It is a well-known fact that the navigation of the lakes is more dangerous, so far as suggest that it would be a good idea of the rightful voters, Mr. Forney's perits by wind and wave are concern to grant him that position in order to desertion from the officeholding ranks certainly tends to weaken their influed, than that of the ocean; yet the remove him from where he now is, as ence in the State, and to encourage number of lives lost on the lakes last the county has been at no little extended in the state, and to encourage the more independent branch of the year, 235, is but four more than one-third of the number lost on these recognized. Ezha Longworth. the more independent branch of the party. But it must be remembered that the Pennsylvania "malcontents" peaceful inland rivers. The number of steamers inspected on the lakes of from papers on file in the County of Missouri and Illinois on the great of Missouri and Missour was 640, nearly two-thirds of the Clerk's office, as an item of news, and Evening Post number on the river, 1,077. is any libel, is because Williams said Defendents here rested the case for

cannot be followed till Monday morning, and by that time you cannot be taken. Binley has a good horre, but he is too thin in flesh; do not take him till further orders. Now, mister, I take you to be true from recommends I have had from friends. Pat this cut of the work of detailing and of Sept. 8th 1871, which received the sunday after the horses were taken at Binley's mill. Talking of this matter, he said he was "mad enough to follow and shoot the son of a b—h" An attempt being made on the part of the work of detailing and the supposed liber to show that this letter had been published in the Findlay Jerpublished that this letter had been the conversation. I went from there to Mr. Aurand's

Ohio, for the last five years. Is well "It you are going to travel, it is no nodded my head to him as I passedon the way." Defendants say: Upon examining said letters and hand writing thereof, it was believed and understood that the same had been understood that the same had been Q Is this the letter?

If you come, avoid all public places acquainted with Plaintiff, and also with one's business." The evidence goes to show that he had some kind of conshowith him about letters—about John no conversation about it with him at decided that such evidence was not not being good friends. Never taked with Plaintiff, and also with one's business." The evidence goes to show that he had some kind of constant and the prove his character, but the Court of about taking horses, had no conversation about it with him at admissible, as no witnesses had been the mill. I never saw the letter besing good friends. Never taked with Plaintiff, and also with one's business." The evidence goes to show that he had some kind of constant and the prove his character, but the Court of the mill. I never saw the letter besing good friends.
